Honoring Governor and Mrs. Larry Hogan
Award accepted by First Lady Yumi Hogan

November 21, 2016

6:30pm ~ Reception • 7:15pm ~ Dinner/Program

Calvert House • 58 State Circle • Annapolis, MD

In June 2015 Governor Larry Hogan was diagnosed with late Stage 3 non-Hodgkins lymphoma. The Governor and First Lady Yumi Hogan have been exceptional role models for those handling cancer diagnosis and treatment.

“I plan to make the most of every single day I am given, and I won't stop fighting until a cure is discovered for this terrible disease.”

— Maryland Governor Larry Hogan,
Baltimore Sun, October 3, 2016

Complimentary to MDCSCO members and guests
